Dear XXXXX,

The Financial Aid Office is pleased to offer you the following financial aid. As of today, we do not have a complete Free Application for Federal Student Aid (FAFSA) on file for you. You may be eligible for more aid with a complete FAFSA. If you have already filed a FAFSA, your record may be incomplete. Please review your Student Aid Report (SAR) and make any corrections that are necessary to complete your results or contact the Financial Aid Office for help. If you have not yet filed a FAFSA, you may do so on-line at [studentaid.gov](http://studentaid.gov), select "FAFSA form". Until a complete FAFSA is on file, you are only eligible for the aid listed below. Once we receive your FAFSA there may be other paperwork that is required before other aid can be awarded. If so, we will request that from you in writing.

Resident Package

Dear XXXXXX,

Congratulations on your acceptance to Holy Family! The Financial Aid Office is pleased to offer you the following financial aid package. Aid that is followed by an "E" is an estimated amount that may require additional paperwork. If this is the case, we will request that information from you later. Please note that any changes to your enrollment status, housing status, financial aid application or receipt of any outside awards not shown below must be reported to the Financial Aid Office and could result in a change to your aid. Federal Work-Study, if listed, is not applied to your bill since those funds are earned during the year. If you have not yet applied for a Direct Federal Loan, once you have chosen a school, visit [studentaid.gov](http://studentaid.gov), select "Loans and Grants" to complete a Direct Loan Master Promissory Note (MPN) and Entrance Counseling.

## XXXXXXXX XXXXXXXX Estimated Costs and Payment Options

### Estimated Costs

April 5, 2024

As part of the college selection process, it is important to consider the cost and options available for financing your education. This letter is intended to help you determine your estimated out-of-pocket expense for the 2024-25 academic year. It is meant to be used as a guide to help you understand what you owe after deducting your financial aid, but could vary from your actual bill.

|                              |   |          |
|------------------------------|---|----------|
| Estimated Tuition and Fees   |   | \$35,330 |
| Average Room and Board Costs | + | \$14,334 |
| <hr/>                        |   |          |
| Total Charges                |   | \$49,664 |
| Financial Aid                | - | \$35,895 |
| <hr/>                        |   |          |
| Estimated Annual Costs       |   | \$13,769 |

### Please Keep In Mind

The Direct Federal Loan amount on your offer letter is more than the amount that is received because a 1.057% origination fee is deducted from the amount of your loan. If you received Federal Work Study (FWS) on your offer letter, you will notice that it is not included in the above calculation. This is because the amount of FWS awarded to you will not be deducted from your bill. You will be paid every two weeks according to the number of hours that you work. The Office of Student Accounts bills you by semester. You can determine what you owe for each semester by dividing your estimated annual costs in half. The fall semester bill is usually mailed in July and due in August. The spring semester bill is usually mailed in November and due in December.

### Payment Options Available

There are a variety of payment options available to cover the remaining balance. Three of the most popular methods used by families at Holy Family include Holy Family's Installment Payment Plans, Direct Federal Parent PLUS Loans, and Private Education Loans. A Direct Federal PLUS Loan is a federal loan that allows parents of dependent students to borrow the difference between the cost of education and any financial aid received. Private Education Loans are offered by a number of lending institutions and are borrowed by the student (usually with a co-borrower). The calculations below demonstrate all three options:

| Direct Federal PLUS Loan Option |          | Installment Payment Plan Option |          | Private Education Loan Option |          |
|---------------------------------|----------|---------------------------------|----------|-------------------------------|----------|
| Estimated Annual Costs          | \$13,769 | Estimated Annual Costs          | \$13,769 | Estimated Annual Costs        | \$13,769 |
| Amount Borrowed*                | \$14,351 | Amount on Plan                  | \$13,769 | Amount Borrowed               | \$13,769 |
| Number of Monthly Payments      | 120      | Number of Monthly Payments      | 10       | Number of Monthly Payments    | 144      |
| Interest Rate                   | 8.05%    | Estimated Monthly Payment*      | \$1,377  | Interest Rate*                | 8.25%    |
| Estimated Monthly Payment       | \$173    |                                 |          | Estimated Monthly Payment     | \$151    |

# Other Financial Aid Information

# Verification

- This is a process where schools are required by the federal government to verify information on your FAFSA. You can be selected randomly by the federal processor or by the school if there is conflicting information on your FAFSA.
- If selected, you may be required to submit IRS tax return transcripts and other documents to the school.
  - The school will compare the tax information to the FAFSA and make any needed corrections. This could result in a change to your aid.
- It's possible that you could have these documents requested by both the school for federal verification and by your state agency. You will need to respond to both.
- Be sure to **respond immediately**. Any delay could hold up the processing of your aid.

# Special Circumstances

- If you or your parents have special circumstances that occurred in 2022 or 2023 that you were not able to indicate when completing the FAFSA, your aid can be reviewed
- Examples include: Reduction in income due to unemployment, disability, or death; unusual medical expenses not paid by insurance; dependent care expenses
- Holy Family's 2024-2025 Special Circumstances Form can be found at [holyfamily.edu/finaid/forms](https://holyfamily.edu/finaid/forms) by mid-May

# You've Decided on Holy Family!

- Once you have decided to attend Holy Family, paid your deposit and have submitted all financial aid paperwork, you'll get an “actualized” award letter.
- A bill for the fall semester will be sent by the Office of Student Accounts in July with options for payment, including a **5-month payment plan**.
