**FREQUENTLY ASKED QUESTIONS**

**How can I find out what’s on the menu or about special upcoming events?**
Holy Family’s website provides daily menu along with a monthly calendar of special and theme meals. These are also posted in the dining location.

**How does the meal plan work?**
A meal plan consists of a prepaid amount of meals per week and Dining Dollars. The meal plan works by swiping your Tiger Tag ID Card at any of Dining Services locations, Cub Cafe and the Tiger Cafe. For example, a student with a 15 meal plan is assigned 15 meals per week and $300 in Dining Dollars. Meal plans start on Friday and end on Thursday evening. The number of meals does not carry over from week to week. Dining dollars are semester specific and cannot be transferred from semester to semester. A meal is defined by one entree, two sides/dessert, and a fountain drink. A student can only use a maximum of 3 meals per day. If a student would like more than the defined meal they can supplement the extra-cost through their Dining Dollars, their own Flex Money, and/or cash at the register.

**What is the difference between Dining Dollars and Flex Dollars?**

**Dining Dollars** is a fixed amount included in the meal plan designed to give a student flexibility in spending in the Dining Services Areas. Dining Dollars can only be used in Dining Services Areas and Vending Machines.

**Flex Dollars** is a separate flexible spending account through the Business Office designed to give students the ability to have a fixed amount on their Tiger Tag ID Card without having to carry physical cash around campus. The Flex Dollars can be used in any Dining Service Areas as well as the bookstore, vending machines, and the business office. To place Flex Money on your card, please contact the Business Office.
