**You understand** that achieving a university education is about making an investment in yourself and bringing value to your future. So do we.

At Holy Family University, our team of financial aid professionals recognizes the importance of being your partner through the financing process. As you begin your college journey, we understand that you need to know how to pool resources from family and from federal, state, and private agencies, as well as our institution. We're here to guide you and make sense of the details.

All of our new students—100%—receive some form of financial aid. You might be surprised to learn that the significant amount of financial aid provided by Holy Family University to our students, when combined with federal and state financial aid programs, can greatly reduce the costs of your education. You may even discover that the cost of attending a private university such as ours can be similar to the cost of a public university after your aid package has been determined. It's just one example of why we were named a 2020-2021 Best College (fourth year in a row).

Take a moment to read this brochure. It gives you and your family important information about what aid is available and how to apply. Then, contact the Holy Family University Financial Aid Office if you have any questions. We're here to make your dream of a university education possible.

# HOW TO APPLY

## STEP 1

Submit your Free Application for Federal Student Aid (FAFSA) online at **studentaid.gov**, select “Apply for Aid.” Students are able to file a 2022–23 FAFSA as early as October 1, 2021, using your 2020 federal tax returns. To be considered for financial aid, you must complete the FAFSA. **The FAFSA cannot be submitted before October 1 but should be submitted as soon as possible to receive priority packaging.** The sooner you file your FAFSA, the better chance you will have at available funding. To be eligible for a Pennsylvania

state grant, you must file no later than May 1. The information you report on your FAFSA is used in a formula, established by law, to calculate your Expected Family Contribution (EFC). While your EFC is not necessarily the amount of money your family will have to pay, nor is it the amount of aid you will receive, it is a number used by our financial aid office, in addition to your admissions credentials, to determine how much financial aid you are eligible to receive.

## FAFSA Tips:

- When filing the FAFSA for the first time, both the student and the parent will each need to create a Federal Student Aid ID (FSA ID). Instructions are available at **studentaid.gov**, select “**Apply for Aid**”.
- Holy Family's federal **FAFSA code is 003275**. Your information will automatically be sent to Holy Family University when you list our code on your FAFSA.
- You must reapply for financial aid each academic year by completing a FAFSA renewal form. This can be done at **studentaid.gov**, select “**Apply for Aid**”.
- Save copies of your completed FAFSA form and all financial aid forms before filing.
- If you have any questions regarding the processing of your FAFSA, you may call the federal financial aid hotline at **1-800-433-3243**.

### STEP 2

After you submit your application, within a week, you will receive an email with instructions on how to view your Student Aid Report (SAR). Be sure to review the SAR for accuracy. The SAR will provide instructions on how to make corrections if they are needed.

### STEP 3

Once Holy Family receives the results of your FAFSA and you are accepted for admission, we will provide you with an estimate of your financial aid. This will include your estimated eligibility for any institutional, federal, and state aid.

### STEP 4

States follow different procedures for advising students of their actual eligibility for state aid. The Pennsylvania Higher Education Assistance Agency (PHEAA) begins mailing notices to Pennsylvania residents in mid-May. If you have questions regarding PHEAA's notice, you may call them at 1-800-692-7392.

# FINANCIAL AID

## FAQs

### Will a request for aid affect my chances for admission to Holy Family University?

---

All students are given equal consideration for admission to Holy Family University. The University is committed to providing the opportunity for all qualified candidates to attend. Your financial information is not considered when making admission decisions.

### Is financial aid available for transfer students?

---

Transfer students are eligible for the same types of aid as students attending the University for the first time.

### What if I am a part-time student?

---

Part-time students can receive some forms of grants and loans. Please refer to the Financial Aid chart to determine which types of aid you might be eligible to receive.

### How is financial aid determined?

---

“Need” is universally defined as the difference between your family contribution as determined by filing the Free Application for Federal Student Aid (FAFSA) and the total cost to attend the University for one year. The Financial Aid Office will analyze your situation carefully to find the best way to award you

a combination of grant, scholarship, loan, and work-study programs to enable you to attend Holy Family University. Your financial need will be greater at more expensive universities and this, in turn, will qualify you for more aid. Based on this formula, Holy Family University may require less money from your family than you might expect.

### Will I be able to get financial aid each year?

Aid is renewable by filing a FAFSA each year and maintaining satisfactory academic progress (SAP) as stated in the University catalog. Usually, the awards remain about the same unless there is a change in your family's financial circumstances or you do not maintain SAP.

### Where can I find additional resources about financial aid?

For more information about financial aid or the availability of outside scholarships, check with:

- Your high school guidance counselor.
- Local libraries.
- Churches, civic organizations, or other groups.
- The human resources department(s) of your or your parents' employer(s).
