

Dear students, staff, and faculty,

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act, Holy Family University's [Public Safety Department](#) is required annually to share out statistics on campus crimes, arrests, and referral statistics.

The report was compiled collaboratively by Albert Kristoff, director of public safety, and Marianne Price, vice president for student life and dean of students, and with support of other University units and personnel. It was prepared in cooperation with the local law enforcement agencies surrounding our Northeast Philadelphia and Bucks County campuses, as well as the division of Student Affairs.

Areas contributing to the development of this report include: Residence Life, Student Engagement, Counseling Services, Health Services, Dean of Students Office, and Title IX. Each entity provides updated information on their educational efforts and programs specifically designed to comply with the Clery Act. The Office of Residence Life is also integral in the development of campus crimes and referrals, specifically related to residential students.
