

## Faculty & Staff Giving

### Your Gift Through Payroll Deduction Helps Bring Our Bold Vision to Life

Through the **Bold Vision Campaign**, Holy Family University is driving transformational change—building on our historic commitment to provide an affordable, values-based, high-quality education that prepares students for success in life and career.

Holy Family is nationally recognized as a leader in **social and economic mobility**, ranked among the **top 15% of colleges and universities nationwide** by the Carnegie Institute for "higher access, higher earnings." More than half of our students are the first in their families to attend college, and over 90% receive financial assistance.

Your support through the **Bold Vision Campaign** fuels opportunity and helps advance key initiatives—**expanding scholarships, transforming Holy Family Hall with a new Welcome Center, and enhancing facilities that support student success.**

Together, we're ensuring that Holy Family's legacy of excellence and opportunity continues for generations to come.

### Give with Ease through Payroll Deduction

Making a gift has never been easier. Faculty and staff can participate in the **Bold Vision Campaign** through **convenient payroll deductions**, allowing you to spread your gift across the year with automatic, manageable contributions.

### Recognizing Your Generosity

Faculty and staff who contribute **\$500 or more** to the **Bold Vision Campaign** will be recognized on the **Donor Wall** in the new Holy Family Hall Welcome Center—a lasting tribute to those helping shape our University's next chapter.

To maximize your support, you may make your **pledge payable over the next two years, the duration of the Bold Vision Campaign.**

You can be a part of the President's Society through monthly giving.
