University of Pennsylvania (only for DNP program mentorship)

Mainline Health System

\*\*\* Mainline Health System has a special approach to preceptorships. Each student has a separate affiliation. Student needs 3-4-month lead time. Please see below.

**You have already secured a MLH or MLHC preceptor:**

Jh2/4/20cmh8/12/20cmh9/30/20cmh10/22/20cmh3/31/221cmh4/13/21cmh12.01.2021cmh01.21.2022

- Please complete [this form](#) and enter your preceptor's full name when prompted
- Ensure you complete the entire form with all necessary information
- All students need an affiliation agreement between their school and Main Line Health
- Main Line Health will not accept university agreements, your graduate school will need to review and accept Main Line Health's agreement

**You do not have a preceptor and are looking for a potential preceptor from MLH (Mainline Health)**

- Please complete [this form](#) during the application period appropriate to the semester you are looking to rotate
  - We will inform you of a potential preceptor on or before the notification date associated with the application period
  - There is no guarantee of a preceptor if you complete the form so we strongly recommend you continue to identify preceptors with the help of your school
  - All students need an affiliation agreement between their school and Main Line Health
  - Main Line Health will not accept university agreements, your graduate school will need to review and accept Main Line Health's agreement
  - The agreement process can take 3-4 months to finalize in many cases and you may not begin your rotation until this is complete
- 
- The agreement process can take 3-4 months to finalize in many cases and you may not begin your rotation until this is complete

Institutions not accepting new affiliation agreements:

1. Christiana Care Health System
2. CVS Minute Clinic

\*If you do not see the preceptor's site listed, please be aware that there is usually a 90 day or longer turn around to get a new affiliation agreement.

\*Note many physician groups are affiliated with hospital systems find out if they are affiliated with a larger hospital system.

\*If we have an affiliation with a larger hospital system Primary Care Practices within that system can be considered for your preceptorships. Some times primary Care practices require a different affiliation. Please contact Dr. Hasson at [chasson@holyfamily.edu](mailto:chasson@holyfamily.edu)
