New mobility print setup

Make sure you are connected to **tigerWIFI**

Go to **mobileprintsetup.holyfamily.edu** on any device you would like to print from or use the QR code below.

If you need to install the application for another operating system, select your OS type at the bottom of the setup page.

It is a one-time installation of the Papercut Mobility app. When it's time to print, just follow your normal process.

Should you have any issues please contact the IT Helpdesk on ext. 3402
