

The HFU Safety Committee reminds you to be #HFUsafe this winter

WALKsafe in Ice & Snow

- Always wear proper footwear
- Don't jump or slide
- Stop & Scan for hazards
- Walk flat-footed and shorten your stride to increase your stability

DRIVEsafe in Ice & Snow

- Ensure all vehicle equipment is operable including wipers, defrosters & headlights
- Use a light at night to light your path after exiting your vehicle
- Remove all snow/ice from your windshield before driving
- Drive slowly and increase your following distance
