- It is the student's responsibility to secure transportation to and from clinical education settings.
- Radiologic Science faculty determine students' clinical education assignments.
- Clinical assignments are not made to correspond to students' geographic locations.
- All students rotate three (3) clinical education settings and a minimum of 1 2-week rotation at CHOP.
- Students are assigned to the same clinical setting for Clinical Education I & II (Fall & Spring 100-level).
- Students' clinical assignments routinely change before Clinical Education III (Summer I) and again before Clinical Education IV (Fall 200-level).
- A standard clinical day is 8:00 am – 2:00 pm.

† One (1) (minimum) two-week rotation may be required at designated settings.

**Clinical education settings may be added or deleted as necessary.**
